

# WHY A WALKABOUT?

**AT THE 'HAVE YOUR SAY' EVENT** held at St Mary Magdelene Hall on Saturday 21st April neighbours came together and shared experiences of living in our area.

In chatting about the many things that we like and the things that irritate us, we identified a desire to:

- Meet more of our neighbours
- Take action on some of our local issues (litter was one)
- Promote community events more widely
- See our community groups working together

This walkabout has been organised as a next step.
