Welcome to our 'Brief Edition'. Brief because we want to get speedily to you information about imminent opportunities to have your say on important local developments. We are also arranging more social events for our residents this year. Hope to see you! We will be putting out another newsletter later in Spring.

Addiscombe District Strategy great opportunity to have your say on the future of Addiscombe

The Addiscombe District Plan could eventually have a large impact on Council priorities and services for all people in Addiscombe. Addiscombe Ward is taking part in a pilot to consult with residents on their priorities.

If you are free, do come along on **Monday, 3 March between 5.00 – 9.00pm at the Addiscombe Baptist Church** (201a Morland Road, the one with the illuminated sign).

This is an informal, drop-in event and you are invited to come at any time between 5.00 and 9.00pm that is convenient to you; however, the organisers would like to encourage people to come at **7.00pm** if they can, when residents can discuss any outstanding issues as a group.

In the autumn a number of us attended one or more of five workshops to help

form the strategy:

Children and Young People - There is a need to engage the interest of young people and give them opportunities to take on responsibility. A range of activities were suggested.

Economy and District Centres - Focussed on the Cherry Orchard Road end of Addiscombe and how to make it more attractive to shoppers and businesses.

Health and Social Care - We looked at isolation among some older people and young mothers.

Environment and Housing - A range of issues were raised including change of our built environment from houses to flats with loss of gardens. Problems of absentee landlords.

Crime and Community Safety - Addiscombe is not too bad for crime but

Proposed huge development in Cherry Orchard Road

Four large towers at top of Cherry Orchard Road

Property developer, Menta, have engaged Ken Shuttleworth, architect of the Gherkin, to draw up plans for an eye catching, massive development in Cherry Orchard Road. This includes knocking down the meat processing plant and replacing it with a new Royal Mail sorting office. The site at the top of Cherry Orchard Road would then be a very large mixed use development of office, retail and homes. There would be four striking tall towers, the highest being 46 storeys. There would be a public piazza running between the towers linking Cherry Orchard Road to a new East Croydon concourse. The current Porter and Sorter would be knocked down but a new site would be provided for it within the development.

Come and find out more about it at one of the following:

Annual General Meeting

The kind people of Edward Jobson Court (Canning Road) are yet again offering their hospitality to us. Our AGM is a lively event with exchange of information and views. It is NOT boring. Afterwards there are refreshments and an opportunity to chat with neighbours. Please let Anne know if there is something you would like on the Agenda. Our Councillors and MP have been invited. The local Police Safer Neighbourhood Team have already accepted the invitation.

Sunday 22 June, 1.00 – 6.00 pm

Longest Day Barbecue

Yes, it's our annual barbecue in the back garden of 42 Canning Road (opposite the church). Since we are holding it on the weekend of the longest day (actually Saturday), the theme will be sunshine. No, you're not expected to dress up in a hula skirt but the theme will be sunny, as we hope will be the weather.

Other social things planned for 2008 –

children's event, bric-a-brac sale to clear out your saleable unwanted items, a guided walk (either around South Norwood Country Park or a historical walk around our area). **Look forward**
